Certified: Sustainable!

Body Glove Water Filters & Replacement Cartridges have been certified by the Water Quality Association to their sustainability standard, WQA S-803*

*BG-12000, BG-3000, BG-1000, BG-6000 Systems & Replacement Cartridges, and the BG-3000R Retrofit Cartridge are Certified

More and more people are concerned about pesticides and are choosing to buy organic produce. Why would you spend extra money to get cleaner produce, and then rinse it in chlorinated tap water?

Rinsing with filtered water keeps the integrity of your organic fruits and vegetables.
